INFOWARE NAMED PARTNER OF THE YEAR BY BARRACUDA NETWORKS

July 31, 2008, Antwerpen, Belgium – Infoware today announced that it was named “Highest Revenue Reseller of the EMEA region” by Barracuda Networks Inc., the worldwide leader in email and Web security appliances. The award was presented during a ceremony at the 2008 Barracuda Networks Partner Conference in San Jose, Calif., on July 9.

Partners dedicated to delivering extraordinary results were honored in a number of categories including highest revenue, outstanding performance and exceptional customer service.

“Our partners are instrumental in contributing to the continued success of Barracuda Networks,” said Dean Drako, president and CEO of Barracuda Networks. “We congratulate Infoware on this distinguished award and we thank all of our outstanding partners who remain committed to helping Barracuda Networks provide exceptional products and service to thousands of customers worldwide.”

“We thank everybody at Barracuda Networks for the continued support of their partners,” said Chris Buyzen, managing director of Infoware. “It is only through close collaboration with a vendor that a security integrator like Infoware can achieve these outstanding results. Barracuda Networks excels not only with its products, but also through its partner program.”
